**HELPFUL HINTS:**

Coffee hour is held immediately after the 10:00 a.m. service.

1. Plug coffee pot in early. It takes at least 20 minutes to heat up.
2. Teams should bring milk for coffee and juice.
3. Turn dishwasher on (directions are posted on the wall behind the dishwasher). It takes a few minutes to fill up with water. Load dishwasher with dirty coffee cups and any other dirty dishes. Once dishes are clean, empty dishwasher and put dishes/cups away.
4. Before you leave, make sure the dishwasher is turned off, the coffee pot is unplugged, and the lights are turned off.
5. As mentioned above, if you are unable to do coffee hour on your appointed week, please make arrangements to switch with another team.
